

# MINISTRY OF EDUCATION FUNDED MUSIC TUITION

## ALL LESSONS ARE IN A SMALL GROUPS

- 30 minutes, in school time, and are for the full year.
- Lesson times are rotated if possible to avoid missing the same subject every week. Students are expected to do their best to catch up on class work missed. (Most manage this well.)

## CARE OF INSTRUMENTS

Students are expected to follow carefully the tutor's advice about care of their instrument. Repair for damage to a school instrument due to carelessness or neglect will be charged to the student.

## INSTRUMENTS AVAILABLE FOR HIRE

Wind: Flute, Clarinet, Saxophone

Strings: Violin (*no spaces for cello this year but do let us know if interested*).

## COST OF HIRE

\$100 for the year.

No charge if you have your own instrument.

## JUNIOR COLLEGE - GUITAR

Tuition is also available for Guitar (beginner, and 2<sup>nd</sup> year students only). There is no cost for this.

To make lesson worthwhile though, students need to have a guitar to use at home.

## MAKING PROGRESS

It is our experience that the students who make satisfying progress are generally those who have at least one adult that actively encourages and supports their child at home, both in their practice, and in reminders to bring their instrument to school when necessary.

## CONTRIBUTING TO SCHOOL MUSIC

All students who learn an instrument in this scheme are expected to contribute to a school instrumental group when at an appropriate standard (orchestra, band, etc)
