

INDEPENDENT LIVING SKILLS

ILS 202

This course follows on from ILS 103 and provides opportunities for students who achieve better results with internal assessment rather than written examination pressures.

Students will participate in a number of practical-based activities assessed by Unit Standards which are mostly at Level 2. Topics will be based around food preparation and life skills.

Possible Standards for 2012:

INTERNAL ASSESSMENT

NB There will be changes to the Unit Standards offered each year depending on the progress of students and curriculum realignment.

Achievement/ Unit Standards	Number	Title	No of Credits
