

TE REO MĀORI

MAO 201

Students who wish to study Te Reo Māori (Māori language) will be able to follow a flexible course which allows them to achieve at their own level. Achievement Standards will be available for the more able students, and Unit Standards for students who find the Achievement Standards too difficult. This course is for students who have good skills in Te Reo Māori and have achieved well at Level 1, though students can also attempt standards from Level 1.
