

TECHNOLOGY: TEXTILES

TET 302

This is **not** an approved subject for University Entrance

This course is internally assessed as a follow on from Level Two Achievement Standards and Unit Standards in Textiles in a multi-level classroom setting.

Students will participate in a variety of 3 practical-based activities. Written work is structured around the 'themes' outlined below. There may be some alterations to standards on offer in 2012.

INTERNAL ASSESSMENT

Unit Standards	Number	Title	No of Credits
US	6699	Prepare for and construct a garment for a formal occasion	6
US	6700	Prepare for and construct a textile item for a specified purpose	6
US	6701	Prepare for and construct a garment using special fabric	6
US	16839	Develop and apply an evaluation for a textile technology activity	3
US	16840	Prepare fashion drawings for a portfolio	5

With the option of additional or alternative Level 3 Achievement Standards, where appropriate.

Achievement Standards	Number	Title	No of Credits
AS 3.1	90613	Conceptual design	8
