

## Evening Art Auction - Thursday 6 September

Masterpieces by the students of the KVC Brathwaite Centre are once again up for auction. Here is your opportunity to become the proud owner of one of these fantastic artworks and to contribute towards the purchase of resources for these students with disabilities.

Legendary auctioneer, Neil Mackenzie promises to provide his entertaining unique 'moments of wit' during the suspense and excitement of the evening. As usual, he will do his utmost to keep prices 'moderate' - especially when dueling bids for these 'sought after' pieces start to 'shoot through the roof'!

**Come and join in the fun....**

6.30pm - Thursday 6 September at the Brathwaite Centre.
