

The Prime Minister opens the new Administration Block

On Thursday the 1st of November, the school was very privileged to be able to host the Prime Minister the Rt Hon John Key at the school. The Prime Minister had been invited to open our new administration block which was completed at the end of the school holidays. Whilst here, Prime Minister Key spoke to the whole school in a school assembly and then mingled with invited guests in the new foyer area. It was great for our students to be able to come face to face with a person of Prime Minister Key's standing. We would have loved to invite everybody to such an occasion but logistically this was always going to be a problem. We do appreciate all of your support and understanding during the time of upheaval while this project was undertaken. Please do come down to view the new facilities. We will be more than happy to show you around.
