

1000Km Challenge and Sports Expo

On Tuesday of this week [12th March 2013] we held our 1000Km Challenge and Sports' Expo. This was a wonderful whole school event, where everyone involved had a great time giving things a go. The event has now been running for four years and each year we see the introduction of one or two new initiatives. It exposes students to physical activities they may never have been involved in before and allows them to experience the social aspects of sport. A very big thank you to Mr Neil Mackenzie for his thorough organisation of the event and to the many who sponsored students. Also a big thank you to the many businesses for their generous support of the event. Particular mention must go to Bike Barn, Brooker United Travel [Dunedin], Moana Pool, Grant Engineering Ltd, Spelt Bakery, Stirling Sports, Frontrunner, Kelk Photography, Arthur Barnet and Pasta d'Oro.
