

## Great Success at St John Youth Nationals

**Keesha van Stijn and Tarryn Fahey**, after three months of dedicated training alongside 23 others, represented the South Island region at the St John Youth Nationals, which were held in Auckland in the school holidays. With the regional team they competed in smaller teams for events and Keesha's team won Champion Team Runner Up. Tarryn, competing as an individual, won the Michael Brooke Cup for Individual Clinical Transport and her team won Champion Team of New Zealand. The points received by all the cadets in the team meant the South Island Regional Team won the title of Champion Region of New Zealand and took home the Sir Alfred Robin Memorial Shield. A very big achievement. Congratulations to Keesha and Tarryn.
