

Model United Nations Assembly [MUNA] 2013

Congratulations to Injy Johnstone, Kayla Freeman (both Year 13) and Nathaniel Brown (Year 11) who ably represented KVC at the Model United Nations Assembly (MUNA) held last Saturday and Sunday. As 'Pakistan', these three students prepared impromptu presentations, considered amendments, negotiated intensely with other countries and spoke eloquently to the whole 'assembly' on a range of international issues, which included: Free Speech on the Internet, Nuclear Energy Transparency and Humanitarian Intervention. Injy, Kayla and Nathaniel are to be commended for their dedicated participation in this very demanding but rewarding event.
