

Music Roadshow

During the last week of Term 1, 17 musicians who were mostly our orchestra, travelled around seven local primary schools over a period of five days. They performed pop and folk songs, Scottish dances, and classical tunes, with the children clapping and singing along with them. The orchestra had been working very hard all term learning new pieces for this show, as well as revising pieces learnt last year. They were joined by Bryony Lastovicka (vocal) and Jonty Bradshaw (guitar), both of whom proved to be great “roadies” for the group. The orchestra now takes a well-earned break before learning some new tunes later this term.
