

Brathwaite Centre Art Auction

Wednesday [10th July] was the day of our annual 'Art Auction' where most of the day was spent displaying the amazing art produced by our very talented young people. We also had some stunning art pieces donated from very generous people in the wider community. It was a wonderful event to be involved in as we watched each piece of art being auctioned. We witnessed some very competitive bidding, enjoyed the delicate flute music produced by

Aimee, Rebekah and Jade and savoured the tasty nibbles and drinks provided by our very own KVC Foods Department. A wonderful group of senior students from the wider school assisted with the many tasks during the evening. Thank you Injy, Rose, Zac, Lara and Jordan. It was a very successful evening with around \$2,500 being raised to support the Centre.
