

DRAMA

[10DRA]

Drama is mainly practical. In class we cover and develop skills for voice, movement and improvisation. Students work individually and in groups taking an active part in performance and constructive criticism. We look at the History of Drama and Drama in different cultures.

Topics Studied

- | | |
|------------------|-------------------------|
| 1) Voice | 7) History of Theatre |
| 2) Body | 8) Puppets |
| 3) Mime | 9) Masks |
| 4) Character | 10) Ritual and Ceremony |
| 5) Improvisation | 11) Sound |
| 6) Scriptwriting | 12) Performance |

Drama will help you develop self-confidence and extend your creativity and ability to work with other people. It can be studied right through to Year 13 with students working to achieve NCEA levels 1 – 3. Drama is useful for a wide variety of occupations and teaches valuable communication skills.

Each unit of work will be assessed by achievement in written tasks, self and peer appraisal and ongoing verbal assessment by teacher in activity-based classes.

Suggested further study:

NCEA Level 1 Drama

Course costs:
groups)

\$10 (materials/photocopying/ theatre
