

Design & Visual Communication

LEVEL 1

Credits: 18 - 24

Leads onto: Level 2 Design & Visual Communication

Design and Visual Communication focuses on where visual literacy and creative thinking is developed, using visual communication techniques. These techniques include freehand sketching, instrumental multi-view and paraline drawing, rendering techniques, researching other designers work and presenting a body of design work to an audience. The main body of work will be presented as A3 folios for internal assessment and external moderation.

Costs: Some specialist equipment is essential to this course and will be indicated on the stationery list.

Course costs \$32.50

Senior DVC pack \$18.00

Cost of additional materials and drawing equipment (as required)

Teacher Contact: Ms Blackley
