

Design and Visual Communication

[10DVC]

Year 10 Design and Visual Communication provides an opportunity for students to develop the essential skills necessary for successful entry into NCEA Level 1 Design and Visual Communication.

Students will develop skills in

- Problem solving techniques
- Design development
- Objective evaluation of design decisions and final solutions
- Presentation and communication techniques such as
 - Sketching, colour rendering and formal drawing

Skills and knowledge gained in this subject are transferable to other subject areas where quality presentation is required.

Suggested further study:

NCEA Level 1 DVC

Course costs:

\$48 for graphics pack
