

Drama

LEVELS ONE

Credits: 18- 26

Leads onto: Level 2 Drama

These courses offer a range of Achievement Standards designed to build skills with drama techniques, develop devising strategies and introduce students to theatre criticism.

Course Description

Drama at Level 1 is the study of theatre and the practice of performance. The drama techniques for voice, body, movement and space are taught and developed through script extracts and performing in a full-length play.

Students will also devise work and will develop skills to analyse and interpret live theatre.

Costs

Course Fee \$27.50

This pays for Secondary School Membership of the Fortune Theatre, allowing entrance prices of \$10 when we go as a group. Students **must** attend at least one live theatre performance. It also subsidises the costs of visiting performers and workshops.

Drama

LEVELS TWO

Credits: 18- 26

Leads onto: Level 3 Drama

This course builds on the skills acquired in Level 1 Drama but students are expected to research and explore roles more deeply. Group performances are an important feature and there are opportunities to write and direct if a student has a particular interest or ability.

Course Description

Drama is the study of conveying meaning through live theatre. Students will perform, view and create dramatic work, including using script extracts and performing in a full-length play. Students will view live theatre performances and will be taught to analyse and interpret what they see.
