

JAPANESE

[10JPN]

This course builds on skills gained in Year 9 Japanese and prepares students for Level 1 NCEA Japanese.

The focus on the Year 10 to continue developing skills in Listening, Reading, Writing and Speaking. Term 1 will review hiragana and basic language features. Term 2 and 3 will see the students learning Katakana and more complex language structure.

Term 4 will cover material required for the exam and also some preparation work for NCEA Level 1.

Suggested further study:

NCEA Level 1 Japanese
